* The dates in this column refer to the first medium of release.

GENERAL – The 2010 Census data products meet a variety of data needs for different segments of the data user community. The data products described here provide a summary of the general tabulation and publication program for the 50 states, the District of Columbia, and Puerto Rico (which is treated as a state equivalent for most data products).

Summary Files will include all or some of the following: quick tables (including demographic profiles), geographic comparison tables, narrative profiles, ranking tables, and thematic maps.

OVER
